

New NANPA Website

www.nanpa.com

Overview Session

Questions & Answers

- 1) Where will the Jeopardy information be located on the new website?
The Jeopardy information will be located under Numbering / CO Codes/Thousands-Block.

- 2) Will the information on the transition to 10-digit dialing for 988 be part of the new website?
The information on the transition to 10-digit dialing for 988 will be located under Numbering / Abbreviated Codes.

- 3) Will the NRUF Form 502 file format be the same?
The Geographic and Non-Geographic NRUF Form 502 file format will be the same and will be available on the new website under NRUF / Requirements to File and also under Resources / NAS User Guides / Service Provider/Service Provider Consultant.

- 4) Do I need to be a registered user to upload NRUF Form 502?
You will need to be a registered Service Provider user or Service Provider Consultant user with “NRUF” as part of your “Resource Subscriptions” to upload NRUF Form 502 in the new NANP Administration System.

- 5) Will the recording of this overview be made available?
The recording will be made available on the NANPA website (<https://www.nationalnanpa.com/combined-nanpa-system-and-website-update/index.html>).
